## Community - Collector Fund

12	Approval	5) The proposed arrangement is subject to the approval of the Director-General of the NSW Department of Planning pursuant to Condition C2 of the DA for CWF.
		6) This proposal is linked to the ULSC Community Enhancement Fund being publicly notified and endorsed by Council (split fund concept).
		<ul> <li>a) As of 11 January 2019 this Voluntary Planning Agreement was executed by both parties.</li> </ul>
13	Reporting and auditing	7) As of January 2019, RAC is considering advice from accountants that this may not be a strict requirement, and may be a "nice to have" feature for the Trust Deed. It is preferable not to put strict obligations into the Trust Deed if they are not required at law, and then any other administrative decisions can be dealt with outside of the Trust Deed.
